Dear Parents and Guardians,

Wow, what a week! For a short week, we were really busy! Here's what's been going on in 3B:

- We used the computer, iPads, and books to research information about planets.
- We made planet brochures to present the information from our research. When creating our brochures, we focused on writing an introduction and grouping like information to help develop the skills we need for paragraph writing.
- We attended our Veterans Day assembly. The students did a great job of thanking each of the veterans for their service with a nice handshake and some words of gratitude. We also read an article and created a timeline to show the history of the holiday.
- We completed a district math test to help us see how we're doing so far and to help plan our future math units.

Let's hope for warmer temperatures next week! We need some outside recess time!

If you have any questions or concerns, please contact me by phone or email.

## Goodies for Grandparents

A form was sent home on Monday to RSVP for our "Goodies for Grandparents Breakfast" which will be held on Tuesday, November 25. If you did not receive a form and would like to attend, please let me know so I can send a form home. RSVPs are due by Friday, November 21.

Tuesday, November 25 will also be the kick off for our Giving Tree and Food Drive for the upcoming holiday season.

## Next Week in 3rd Grade:

**Math:** We will finish our second math unit on multiplication and division.

**Writing:** We will review writing introductions and grouping related information together when planning to write and informative paragraph.

**Reading:** We will continue with our guided reading groups.

**Social Studies:** We will begin a geography unit. Our first couple of weeks will focus on locating places and landforms on maps, and reading maps and other geographic tools

**OUR HABIT OF THE WEEK**

**NEXT WEEK IS:** Sharpen the Saw

## Specialist Schedule

**Monday:** Computers 1:40-2:10  
Library 2:10-2:40
