Dear Parents and Guardians,

We had another busy week this week! One of the highlights was a visit from some members of the Rotary Club. They told us a little about themselves and Rotary Club, and then they gave each of our third graders a new dictionary! We will keep the dictionaries at school for the students to use, and then we will send them home at the end of the school year.

We also had a guest reader visit us on Tuesday for Read Aloud Day. She brought some books of her own to read. It is always fun to meet new people from our community.

We will be working on writing some thank you letters during our short week next week.

When I think about Thanksgiving, I am definitely thankful for the wonderful students I get to work with every day. I feel so fortunate to teach and learn from your incredible children! Thank you so much for sharing them with me. I hope everyone has a fun and safe Thanksgiving break filled with family, friends, and yummy food!

If you have any questions or concerns, please contact me by phone or email.
