Dear Parents and Guardians,

It was great to see so many of you at our Barnes and Noble Book Fair! Thank you also for supporting our food drive. As I type, I don't have the totals for the week, but our class contributed a great amount of food to help families in our Carrie Martin community.

We are working on progress monitoring students in reading to determine areas of strength and areas of need. I will try to get the information together to send out a progress report in next week's Friday Folder (otherwise, I will send it home in January).

The Santa Craft Fair is next week. This is an opportunity for students to buy gifts for family and friends. I believe our class will be shopping on Wednesday at 2:30, but be on the lookout for a separate note to come home confirming our day and time.

If you have any questions or concerns, please contact me by phone or email.

Classroom Wish List

- Pencil topper erasers
- Any small toys/games (happy meal toys, bouncy balls...) that students could buy with their classroom money. They don't have to be new—gently used is fine. One man's trash is another man's treasure!

Next Week in 3rd Grade:

Math: We will finish measurement of time, and we will begin to work with pictographs and bar graphs.

Writing: Last week we focused on topic sentences, so now we will look at closing sentences. We will analyze paragraphs in our texts, and we will practice writing.

Reading: We are progress monitoring students.

Social Studies: We will continue to discuss regions using different types of features such as physical and cultural.

OUR HABIT OF THE WEEK NEXT WEEK IS: Sharpen the Saw
