Dear Parents and Guardians,

Please remember we have conferences on Wednesday night and Thursday this week. Many of my conference time slots are only 15 minutes. I am apologizing in advance if it seems rushed, and I will have to set my timer to make sure I don't go over time (I'm not always the best at staying on schedule).

Next week we the third grade will be taking the Reading CSAP tests on February 23rd and 24th. Testing is scheduled for 1 hour each morning. I will not send homework or a newsletter home for the students next week. It is important for them to get plenty of rest and to eat a good breakfast on our testing days. Also, please avoid any unnecessary absences during these days. Thank you for your help!

Please feel free to contact me with any comments, questions or concerns you may have regarding your child at 613-5749 or

julie.elliott@thompsonschoools.org

Sincerely,
Julie Elliott

Spelling List:

****No Spelling This Week****

This Week in 3rd Grade:

Math: We will continue with our introduction to multiplication.

We will discuss skip counting in relation to multiplication.

Reading: We will do some CSAP practice work.

Writing: We will begin a research project on animals. Hopefully we will visit the computer lab and library to get some resources for our paragraphs.
