Dear Parents and Guardians,

Conferences are coming up in February. Please see your scheduled conference time on the purple sheet in today's Friday Folder. If you have a schedule conflict and will not be able to attend, please let me know as soon as possible so we can reschedule. Please send the purple form back to me as soon as possible. Thank you!

Also, the Schools on the Move challenge will begin on February 1st. Your child will be bringing his/her activity log home next Wednesday before the challenge begins. This year, students will be able to count their P.E. time in school towards their daily activity minutes. They cannot count scheduled recesses, but extra breaks/recesses will count so I'll have the students record any extra activity we do at school in their planners so you can add it to the activity logs. Please keep the activity log in a safe place at home, or you can attach it to the inside of your child's planner if you'd like. Thanks for your support with this fun challenge!

Please feel free to contact me with any comments, questions or concerns you may have regarding your child at 613-5749 or julie.elliott@thompsonschoools.org.

Sincerely,

Julie Elliott

Next Week in 3rd Grade:

Math: This week we changed our plans and discussed shapes, quadrilaterals and angles, so next week we will work on measuring perimeters, and solving problems involving perimeter.

Reading: We will work on answering questions about text with complete thoughts and citing evidence from the text.

Writing: We will continue to work on planning our narrative stories.

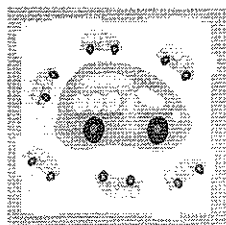

Science: We will work on improving estimates of distance.

OUR HABIT OF THE WEEK NEXT WEEK IS: Seek First to Understand, Then to Be Understood
