Dear Parents and Guardians,

This week the students completed a survey called the "Student Perception Survey". The students were asked to answer a series of questions on the computer about our classroom environment, instruction and learning. I value this feedback as I always get great ideas of what I can do to make our classroom even better.

We also had a guest reader visit us on Tuesday for Read Aloud Day. Dr. Maas, the Director of Operations for the school district, brought a collection of Dr. Seuss stories and read one of them to the class. It is always fun to meet new people from our community.

When I think about Thanksgiving, I am definitely thankful for the wonderful students I get to work with every day. I feel so fortunate to teach and learn from your incredible children! Thank you so much for sharing them with me. I hope everyone has a fun and safe Thanksgiving break filled with family, friends, and yummy food!

If you have any questions or concerns, please contact me by phone or email.

Next Week in 3rd Grade:

Math: We will continue to work on our new measurement unit. We will review telling time, and we will solve problems involving elapsed time.

Writing: We will continue to study mentor texts, and we will begin to write our own narratives.

Reading: Reading groups will focus on a variety of reading standards.

Social Studies: The students will use an atlas and read an article about one of the 7 continents to gain information that they will use to create their own atlas page about their assigned continent.

OUR HABIT OF THE WEEK NEXT WEEK IS: Synergize

Cash Donations Needed for Upcoming Food Drive:

We are no longer able to get free turkeys for our food drive so we are in need of donations to buy approximately 25 turkeys. Cash or checks made payable to Carrie Martin PTO can be sent in to the school's main office.

Report Cards:

Report cards are in the Friday Folders today (11/20).

Please remember, we are using standards based scoring for math, so the students will receive a score of 1, 2, 3, or 4 for each of the standards we have covered so far. The students are scored according to their progress towards the end of year expectations. It is very common for students to receive 1s and 2s at the beginning of the year. We will continue to develop understanding of the standards from this 1st trimester throughout the rest of the year.
