Dear Parents and Guardians,

We set our reading minutes goal for the month of December for 340 minutes. If your child has completed his/her homework reading of 20 minutes 5 nights each week for the first three weeks, he/she has already read 300 minutes this month. That leaves 40 minutes to read during the last week of December. Since our winter break continues through the first week of January, the minutes read in January will count towards the January goal. Please continue to record any minutes read in your child's planner so he/she will receive credit. Thanks so much for your help with this!

This is such a wonderful time of year, and I hope everyone has a restful holiday filled with love, laughter, family and friends!

Please feel free to contact me with any comments, questions or concerns you may have regarding your child at 613-5749 or julie.elliott@thompsonschoools.org.

Sincerely,
Julie Elliott

Spelling List

There will be no spelling list/test for the first week back after our winter break.

Next Week in 3rd Grade:

Math: We will practice strategies for problems that involve comparing 2 and 3 digit numbers.

Reading: We will review our comprehension strategies and we will begin to look at tests as a genre.

Writing: We will finish our work on our winter descriptive writing.

Science: We will begin a new science unit called "Measuring Matter." We will discuss and practice measuring with standard and nonstandard units.
