Dear Parents and Guardians,

Thank you for sending your conference slips back to me quickly. I would like the students to attend their conference if possible. One of the components of Leader in Me is for the students to take an active part in their learning, progress and goal setting. The students have been keeping track of some of their data in their "Growth Binders", and I would like for them to have the opportunity to share this data with you.

Our class list is printed on the back of this page. It might be useful to you if you are planning on sending in valentines for the class. We will have a Valentine's Day celebration on the 14th. I will send more information about this in the next newsletter.

We have run out of our classroom glue stick supply. If anyone would like to donate some glue sticks we would really appreciate it! Thanks!

Please feel free to contact me with any comments, questions or concerns you may have regarding your child at 613-5749 or julie.elliott@thompsonschoools.org.

Sincerely,  
Julie Elliott
