Dear Parents and Guardians,

Since we have our reading TCAP testing on Wednesday and Thursday, there will be no spelling list this week. It is important for the third graders to continue to read and practice their math facts each night, though. You can help your child by having him/her get a good night's sleep the nights before testing days and eat a good breakfast on testing mornings. We will provide healthy snacks on testing mornings, but your child may bring a healthy snack of his/her choice as well. Please help your student to understand that the purpose of the assessment is to see how much the students have grown in their reading ability. Encourage your student to do his or her best work on the state assessment. You can also help by having your student at school on time as we will be testing first thing in the morning, and by arranging outside appointments beyond the school day so that all students are in attendance and able to take the assessment within the allotted daily time.

Thank you for your support!

Please feel free to contact me with any comments, questions or concerns you may have regarding your child at 613-5749 or julie.elliott@thompsonschoools.org.

Sincerely,

Julie Elliott

Spelling List

****No Spelling
List/Test This
Week*****

Next Week in 3rd Grade:

Math: We will work on multiplication story problems and strategies for solving them.

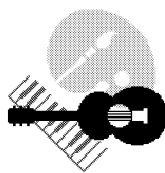

Reading: We will read for enjoyment and review strategies.

Writing: We will continue our work with our narrative stories—many students will be publishing this week.

Science: We will begin a new unit on movement in space.
