Dear Parents and Guardians,

The students made it through their first round of TCAP testing. Thank you for supporting your children and helping them to be prepared for their first TCAP test. The students were all very positive after the first session, and they worked hard to do their best. Please note that the writing TCAP test will be on March 14 and 15, and the math TCAP will be on March 21 and 22.

Our Schools on the Move Challenge is over. If your child has not handed his/her form in to me yet, please make sure it is returned on Monday. Even if your child does not have enough check marks to earn a shirt, it is still important to hand the form because our school will still get credit for participation. Schools with the highest participation rates receive a monetary reward to help support the PE program.

Please feel free to contact me with any comments, questions or concerns you may have regarding your child at 613-5749 or julie.elliott@thompsonschoools.org.

Sincerely,
Julie Elliott
