

# Elliott's Events

Mrs. Elliott: 3B

March 11, 2016

[julie.elliott@thompsonschoools.org](mailto:julie.elliott@thompsonschoools.org) 613-5749 [www.3b2011.wikispaces.com](http://www.3b2011.wikispaces.com)

Dear Parents and Guardians,

Thank you so much for attending your child's conference last week! I think the students did a great job telling you about their learning and goals. The students were able to finish typing up their goals this week. Please continue to ask your child about their word towards their goals. It is definitely a motivator to have someone cheering you on when you are working toward a goal!

We have a field trip scheduled for Wednesday, May 11. We will be attending the History Festival at Centennial Village in Greeley. We will leave school at 9:00am and we will be returning at 2:30. I will send more detailed information home with a permission slip as we get closer to the date. In order to volunteer on a field trip, you must be registered as a volunteer through the school district. If you think you might be interested in volunteering, please take the time to register soon (it can take several weeks). You can sign up through the district website or you can come in to our school office to sign up. If you have already registered you do not have to reregister.

If you have any questions or concerns, please contact me by phone or email.

## STEMS Summer Classes:

Thompson School District's **STEMS program** is an innovative summer environment designed to engage students in learning beyond the classroom, while also learning real-life skills that can be applied to STEM careers and education.

**2016 STEMS registration is open now.** There are 46 classes to choose from, with many of them brand new this year! View the class descriptions online at [www.thompsonschoools.org](http://www.thompsonschoools.org) > Academics> Summer Programs.

\*\*See the flyer printed on the back of the newsletter for more information.

## 3rd Grade PARCC Testing Schedule:

Monday 3/14: 9:00-10:30 and  
1:30-3:00

Tuesday 3/15: 9:00-10:30 and  
1:30-3:00

Wednesday 3/16: 9:00-11:15 and  
1:30-3:30

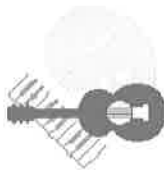

Thursday 3/17: 9:00-11:15

## Next Week in 3rd Grade:

Since PARCC testing will be taking up a lot of our time, we will spend the time that we are not testing doing review activities, reading, and creative writing.

OUR HABIT OF THE WEEK NEXT  
WEEK IS: *Seek First to Understand,  
Then to be Understood*

## Specialist Schedule

**Monday:** Art 11:05-12:05

**Tuesday:** Library 10:00-10:30  
Computers 10:30-11:00
