Dear Parents/Guardians,

Thank you for taking the time to come in during our parent/teacher conferences. It is always nice to touch base and share the great progress your children are making.

We have two field trips planned for May. More information will be sent home with permission slips as the dates approach, but I wanted to give you a heads up on dates. Our first trip will be to Centennial Village in Greeley on May 12. We will participate in many different activities that will build on our knowledge of Native Americans and Pioneers. Our second trip will be to the Loveland Public Works Day on May 19. We will need parent chaperones for both trips. If you think you may be interested, please make sure you are registered as a volunteer with the district. Chaperones must be registered 3 weeks before the field trip so there will be enough time for the district to process the registration and background check. If you are already registered, there is no need to register again.

If you have any questions or concerns, please contact me by phone or email.
Julie.elliott@thompsonschoools.org or 613-5749

Reminders/Info:

- The 2nd and 3rd Grade showcase will be at 7:00 on Thursday, April 2nd. Please have students arrive in the classrooms at 6:45. The show will last about 1/2 hour, then guests will be invited to see student artwork in the halls.

Next Week in 3rd Grade:

Math: We will begin a new unit which will cover our geometry standards. In this unit we will revisit the concept of area.

Writing: Narrative writing

Reading: We will continue with our individual reading conferences and new reading schedule. The students are enjoying the added writing time—especially because they can choose what they want to write.

Social Studies: We will focus on the pioneers and Westward Expansion. We will discuss how the past influenced the development of our communities today.

OUR HABIT OF THE WEEK
NEXT WEEK IS: Synergize

Specialist Schedule

Monday: Computers 1:40-2:10
Library 2:10-2:40
Tuesday: Art 1:40-2:40
