Dear Parents/Guardians,

It was so great to see all of my kiddos again after having a week off! It sounds like everyone had a nice Spring Break!

We are going to start planning for our community service projects. This year, we are going to do some "Service to Go" projects that are requested by the Larimer County United Way. I will explain the different projects to the students, and they will each choose what they would like to do. Next week we will spend some time planning and gathering materials, and the following week we will spend some time completing them. Some examples of projects include: making birthday/holiday cards or placemats for senior citizens receiving Meals on Wheels, creating jokebooks or coloring books or alphabet flashcards for children receiving services from Catholic Charities or Crossroads Safehouse. I have some supplies, but once the kids choose their projects, it would be great if they could bring some supplies to use from home as well.

If you have any questions or concerns, please contact me by phone or email.

Next Week in 3rd Grade:

Math: We will finish up our unit with some more work on area, and we will take our unit test on Friday.

Writing: Narrative writing—we are working on adding description and figurative language to our writing to spice it up.

Reading: The students are all working on individual goals in reading.

Science: We will begin our Food Chains and Webs unit this week. We will discuss plants as producers and work on an experiment.

OUR HABIT OF THE WEEK
NEXT WEEK IS: Be Proactive

Specialist Schedule

Monday: Computers 1:40-2:10
Library 2:10-2:40

Tuesday: Art 1:40-2:40

Wednesday: Computers 1:40-2:10
Library 2:10-2:40

Thursday: Counselor 1:10-1:40
P.E. 1:40-2:10
Music 2:10-2:40

Friday: P.E. 1:40-2:10
Music 2:10-2:40

Reminders/Info:

- If you haven't returned your Read-A-Thon minutes recording form, please do so as soon as possible. Students who didn't collect pledges can still return their forms—there are prizes for the top three classes with the highest percentage of reading minutes.
- Our CMES carnival is next Friday evening.

Summer STEM Classes:

- The website to register for summer STEM Enrichment classes is:

www.thompsonschoools.org/Page/7226

Or, for questions contact Michelle Stout at 613-5057.

School-Home Connection
