Dear Parents,

Yesterday the third graders took part in a presentation called Strap-N-Snap. The purpose of this presentation is to teach the students about the importance of wearing helmets for bike riding, skateboarding, and other outdoor activities. The students brought home a paper to fill out telling you something they learned from the presentation. All students who return the paper completed and signed will receive a prize. Also, I have some coupons for free helmets. Please let me know if you are in need of a coupon to get a free helmet for your child.

If you have not returned your field trip permission slip or your confirmation slip for your child's testing time on Thursday/Friday, please return them as soon as possible.

Please feel free to contact me with any comments, questions or concerns you may have regarding your child at 613-5749 or [julie.elliott@thompsonschoools.org](mailto:julie.elliott@thompsonschoools.org).

Sincerely,  
Julie Elliott
