Dear Parents/Guardians,

Our field trips are coming up! First, we will attend the Spring 2015 History Festival at Centennial Village in Greeley on May 12th. Then, the following week we will attend the Loveland Public Works Day at Fairgrounds Park. Please see the enclosed papers/permission slips for more information on both field trips. Thanks to our generous PTO, the cost of the field trips are covered for the students. We will need chaperones for both field trips. You may only chaperone if you are registered as a volunteer with the school district. Please read and fill out the information on both sides of the papers and return to school by Wednesday May 6th.

Please remember we will be PARCC testing on Monday, Tuesday, and Wednesday next week. Also, since it is a short week, I will not send a newsletter or Friday Folders home next week. The students will not have homework next week as well.

If you have any questions or concerns, please contact me by phone or email.
Julie.elliott@thompsonschoools.org or 613-5749

Next Week in 3rd Grade:

Math: We will continue with our last unit which covers fractions.

Writing: Narrative writing—we will begin to edit and publish our narrative stories.

Reading: The students are all working on individual goals in reading.

Science: We will continue with our Food Chains and Webs unit. We will observe the interactions between our anoles, crickets, and earthworms.

OUR HABIT OF THE WEEK
NEXT WEEK IS: Put First Things First

Specialist Schedule
