Dear Parents and Guardians,

I am so proud of our Carrie Martin third grade leaders! The third graders were so well behaved and respectful on our field trip. They were very engaged, and they asked great questions. Thankfully, the weather cooperated and it turned out to be a beautiful day.

This week the students completed the end of year Math Benchmark C test, and the end of year i-ready reading test. I will send the reports for both tests home in next week's Friday Folder (this will be sent on Thursday next week since there is no school on Friday).

This week was our last week for spelling, so there will be no more spelling lists sent home. This is also the last newsletter I will send. Please continue to look out for important papers sent from the office during the last two weeks, though.

If you have any questions or concerns, please contact me by phone or email.

## Next Week in 3rd Grade:

**Math:** We will work on problem solving with fractions, and we will review the unit before completing our unit test.

**Writing:** We will continue to work on revising our opinion writing to make it stronger.

**Reading:** Reading groups will focus on reading strategies and comprehension skills.

**Science:** We will work on activities to wrap up and review our Food Chains and Webs unit.

**OUR HABIT OF THE WEEK**  
**NEXT WEEK IS: Be Proactive**

## Information Night:

On May 23 we will have an information night to discuss our plans for the combination classes next year. This will be a great opportunity for parents to understand how the classes will be structured and how we are planning to meet the needs of all students. Please plan to attend if your schedule allows.

## Anoles:

We have found homes for all of our anoles. Thank you to all of you who were willing to provide a good home for these cute little guys!

## School-Home Connection
