Dear Parents and Guardians,

This week in your child's Friday Folder you will find the results from some of our beginning of the year assessments. Please read the attached information that accompanies the Math Benchmark A, i-ready, and "spelling no excuse" assessment results. Some students have not finished the "spelling no excuse" assessment, so if your child does not have that information in his/her folder I will send it when it is completed. If you have any questions, please let me know and I'll be happy to go through any of the information with you. We will also go through this information during our October conference.

We will be starting spelling groups next week. Please look for your child's spelling list with information about our spelling procedures and tips for practicing spelling words on Monday.

Please see the back of this newsletter for information about a Love and Logic Parenting class that is being offered to the community.

If you have any questions or concerns, please contact me by phone or email.

Julie.elliott@thompsonschoools.org or 613-5749

Reminders...

- If you did not return your student information/contact form that I handed out at our back to school night, and sent in last week's Friday Folder, please do so as soon as possible. This information is really useful to me.

Homework Expectations:

- The students should be bringing their planners home daily. We will fill out the assignments together each day in class.
- Please check the planner nightly, sign to confirm that the assignments have been completed, and record the number of minutes your child read that evening.
- If your child is not bringing a planner home, please support him/her in following through with this expectation.

Next Week in 3rd Grade:

Math: We will continue to work on multiplication and division. Please make sure you are practicing your facts at home.

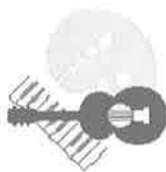

Writing: We will work through the writing process as we continue to write our paragraphs about the 7 Habits.

Reading: We will look over some of our reading data and set reading goals.

Social Studies: We will discuss roles people play in local government and the services provided by local governments.

OUR HABIT OF THE WEEK
NEXT WEEK IS: Begin With the End in Mind

Specialist Schedule

Monday:	Art 11:05-12:05
Tuesday:	Library 10:00-10:30 Computers 10:30-11:00

Accountability Meeting: 9/17

Donuts for Dads: 9/25 @ 8AM

“Parenting the Love and Logic Way” Class

How can I get my daughter to clean up her room without an argument?

How can I avoid power struggles with my son?

Date: Thursdays
September 17 – October 22, 2015

Time: 6:00 – 8:00 PM

Location: Ferguson High School, 1101 Hilltop Dr., Loveland

What is Love and Logic? It is a way of working with children that puts parents back in control, teaches children to be responsible, and prepares young people to live in the real world, with its many choices and consequences. The program especially helps parents enjoy working with their children through easy-to-use techniques. The Love and Logic approach helps children develop and grow in a healthy way, provides them with confidence and dignity, and teaches them how to become more responsible.

Pre-registration/fee is required.
Contact Cheryl O'Shell at 970-215-8875 or kiddos1993@gmail.com. Class size is limited to 15 participants, so register early!
