Dear Parents and Guardians,

Our class will be participating in the national "Book It!" reading program. This program involves setting monthly reading goals. Each student who achieves the monthly reading goal earns a free personal pan pizza certificate from Pizza Hut (I looked at the certificates and there is no mention of required additional purchases to redeem). Our reading goal for October will be 460 minutes (if your child completes their 20 minutes of reading 5 nights/week he/she will achieve the goal). Please continue to support your child's reading at home—your involvement will increase school success!

Please remember conferences will be held Monday and Wednesday evenings the first week of October and Tuesday and Thursday evenings the second week of October. The students do not have any days off during conference days this year. If you have not sent your confirmation slip back, please do so as soon as possible.

Please feel free to contact me with any comments, questions or concerns you may have regarding your child at 613-5749 or julie.elliott@thompsonschoools.org.

Sincerely,
Julie Elliott

This Week in 3rd Grade:

Math: We will use knowledge of place value to add and find the difference between two 2-digit numbers, solve story problems, and estimate answers.

Reading: We will look at nonfiction text features, and we will use the strategy, "questioning and wondering" while reading.

Science: We will continue our critter observations and investigate animal behavior.

Writing: We will continue to draft our paragraphs, and we will work on revising them to make them sound better.
