Dear Parents and Guardians,

We spent a lot of time this week reviewing and practicing expectations and procedures for our classroom. It takes time to get into full swing, but the time spent now focusing on procedures will pay off down the road. We are also still working on completing our beginning of the year assessments. Again, this is an investment of time upfront, but the information we gain from the assessments will allow us to focus instruction and target specific skills so each student can achieve maximum growth. I am expecting to finish next week, and I hope to send information regarding your child's results home in next week's Friday Folder.

If you have expressed an interest in volunteering, I am still working on getting organized and figuring out how I can best use your help. I will contact you through email soon. Thanks for being patient!

I hope everyone has a wonderful long weekend!

If you have any questions or concerns, please contact me by phone or email.
