Dear Parents and Guardians,

Thank you so much for taking the time to attend your conference with me. It was wonderful to get a chance to catch up with everyone and let you know what your children are doing in school. If you ever have any questions or concerns, or if you are just wondering what we're working on, please don't hesitate to ask.

7 Habits Home-School Link:

Next week our "Habit of the Week" is Sharpen the Saw. This means it is important to balance the four parts of your life: your body, heart, soul and brain. One way to take care of your soul is to help others. Have your child look for examples of people helping other people at home and in their neighborhood. For more information about the 7 habits, please visit the "Parent's Place" link at [www.TheLeaderInMe.org](http://www.TheLeaderInMe.org)

Please feel free to contact me with any comments, questions or concerns you may have regarding your child at 613-5749 or [julie.elliott@thompsonschoools.org](mailto:julie.elliott@thompsonschoools.org).

Sincerely,  
Julie Elliott
