Dear Parents and Guardians,

October is a busy month here at Carrie Martin! We have the following events to look forward to in the next 2 weeks:

Conferences (10/21-1/23): If you have not returned your green conference confirmation slip (sent home in last week's Friday Folder), please return it as soon as possible so I can make any necessary changes to my schedule.

Book Fair: We will have our Scholastic Book Fair set up next week in the library.

Math Night: Join us on October 27 from 6:00-7:00 to learn more about the math standards, and our Expressions curriculum. There will be math games for students, and they will also have a chance to share what they've been working on with their families.

Showcase: The 3rd and 4th graders have been working hard to prepare for their performance on October 29 at 6:00.

Halloween Parade/Party: October 30th at 3:00. More information will be sent home soon.

Conferences

Conferences will be held on the evenings of October 21st and 22nd, and during the day on Friday, October 23.

Please bring your student to the conference with you. The students will be leading the first part of the conference by sharing parts of their leadership notebooks and their goals with you.

After your child shares, he/she will have time to work on an independent activity while we discuss current levels, work samples and questions.

Next Week in 3rd Grade:

Math: The students have been introduced to all of the multiplication and division facts now. Please make sure you are practicing your facts at home.

Writing: Last week we worked on publishing mission statements (change of plans), so this week we will introduce opinion writing.

Reading: Reading groups will focus on a variety of reading standards.

Science: We will work with the metric units for measuring liquid volume.

NEXT WEEK IS: Think Win-Win
