Thompson School District now has an e-library, accessible by students and teachers 24/7 at home or at school. A collection of approximately 300 e-books (a starter set) can be accessed via Overdrive/Adobe Digital Editions and downloaded to computers, e-readers, MP3 players, smartphones, etc.

E-books and audio files can be checked out for 2 weeks at a time. Holds, renewals and "wish lists" will also be possible. There are no late fees (books just expire after 2 weeks).

Students will login with their standard credentials, which is first initial, middle initial, last name, last 2 digits of their graduation year. For example, if our president was a 7th grader, his log in would be bhobama18. Students will use their lunch code for their passwords. 3 books can be checked out per person at a time.

You may need to load Adobe Digital Editions onto your computer for ebooks (or Overdrive media for audiobooks). It is easy to do from the district e-library website below (choose "Get Software").

Please feel free to contact me with any comments, questions or concerns you may have regarding your child at 613-5749 or julie.elliott@thompsonschoools.org.

Sincerely,
Julie Elliott

Next Week in 3rd Grade:

Math: We will begin a new unit on data.

Reading: We will read for enjoyment and work on personal reading goals.

Writing: We will begin a short poetry unit.

Social Studies: We will continue to discover how the past has influenced the development and interactions in a region through our study of Native Americans and pioneers.
